## The Daylight Store

### Everybody Has Furs.

Do they have quality and value that appeal to you as being rightly priced? Can you buy with the confidence that any defect will be made good? If Furs are not manufactured by reliable parties it comes hard on the merchant to make them good. It comes out of him if made good at all. Goods costing as much as Furs do ought to be purchased of reliable people or you are subject to disappointment.

### F. Booss & Brothers

Are manufacturers of reliable Furs. Have been in business since 1846 manufacturing only the very best Furs, with a warrant as to quality.

#### FUR COATS.

Their Fur Coats are ahead of any Coat made in this country. Their Electric Seal Coats are as good as can be made. No matter what price you pay, it is impossible to buy a better one. Call and see one of their Coats of this grade that has been in wear right here in Barre for five years. Better now than most new Coats. (These things are worth looking up.)

We have one of the largest lines of Isabella and Sable Fox Bos shown in Vermont. Being purchased last June, they come to you at from two to three dollars under the market price.

### Large Purchase of Furs.

We are the largest handlers of Furs in this part of the state. This lot represents a purchase of two hundred pieces of Furs in Cluster Scarfs that sell from \$5.00 to \$6.50, in Isabella and Sable Opossum, perfectly made of prime skins and warranted O. K. for \$3.98.

One lot of fifty Furs. These are long Stoles with eight tails, in Isabella and Sable Opossum, regular \$12.50 and \$15.00 Furs. This purchase for \$9.98.

One lot of twenty-five Isabella and Sable Opossum Cape Collar Stoles, the silk-lined kinds, regular \$18.00 Furs. This purchase for \$15.00 each. (These are leading styles in large cities.)

### Children's Furs.

Children's Furs in sets, made in two sizes—one for children from one to six years, the other from six to fourteen years. Prices on these small sets are less than we ever saw them. The small sets start at 98c; the larger sets only a little more.

#### MUFFS.

Our line of Muffs is in keeping with our Fur Scarfs. We can match everything to a Muff from a 50c Fur Collar to our best Fox Furs.

Our lot of Isabella and Sable Opossum Pillow Muffs, the \$6.50 grade, in this purchase on sale at only \$4.98. (We cannot make these prices later.)

### TALK OF THE TOWN.

Read Vaughan's advertisement.  
Large purchase of furs at Abbotts'.  
Silk at little above half price at Fitts'.  
Pajamas and outing flannel night robes at McWhorter's.  
Our young men's overcoats are winners. Moore & Owens.  
The standard new books can be found at the Ideal Stationery and Book Store.  
Those silks Fitts has advertised are even better values than his "ad" claims them to be.  
Regular meeting of Hiawatha Lodge, I. O. O. F., this evening. Work, the second degree. A full attendance is desired. N. G. W. S. Stove.  
Companion Court, Granite City, No. 757, I. O. O. F., will hold a regular meeting Friday evening, Oct. 21, at 7:30. A full attendance is requested. Minnie Bruce, Rec. Sec.  
AUTUMN EXCURSION.  
Another Chance to Visit New York at Low Rate of Fare.  
The Central Vermont Railway Co. will run another excursion to New York on Tuesday, Oct. 25, via the Central Vermont railway to New London and thence to New York by the steamer "City of Lowell." Tickets for the round trip will be \$6.00 from Williams-town, So. Barre, Barre and Montpelier, and will be good going on train leaving Barre at 11:55 a. m., Tuesday, Oct. 25. Tickets will be good only on trains named above October 25, 1904, to arrive in New York not later than October 26, 1904. Good returning to leave New York not later than November 4, 1904, to arrive at starting point until November 5th, inclusive.  
Owing to the very low rates at which these tickets are sold, no stop-over privileges will be allowed in either direction.  
Styles in Women's Boots and Oxfords.  
Flat bottoms and white outside extensions will be the vogue in many of the latest styles in oxfords and boots for women, says the Shoe Retailer. White kid will be much used for women's oxfords, because it doesn't soil, is easy in making and makes up better than canvas or suede. One and one-quarter and one and three-eighths inch heels will be the big sellers, while many good judges claim that lower heels will probably sell better than they have for some seasons. Patent calf, patent kid and patent calf will be the favored shiny leathers—ranking in the order given.  
Mixing Mustard.  
When mixing mustard add a salt-spoonful of salt and the same quantity of moist sugar, and mix with boiling water. It will be found to keep moist much longer and to have a better taste.

TOO LATE FOR CLASSIFICATION.  
WANTED—Position to act as agent or salesman for some Barre granite dealer, in this or adjoining states. Address "Agent," Times office, Barre.

## Suits With Ginger in 'Em!

The Young Man always wants a Suit that's full of "Ginger." We cater to his wants, and he can find here a Suit that will exactly fill his mind's eye. Couldn't buy an out-of-date, hack number Suit or Overcoat here, even if he wanted to.  
Our Suits are not only "the style," but they are built by the best artists in the business. Look at "our shoulders," for instance. Every store claims to have broad shouldered coats, but, save the mark—such shoulders as many of them are. That's because they don't know how "to do the trick." Look at the narrow and artistic hand-padded collars and lapels. Our Suits will show how good tailoring should be done. Young man, come and see the good things prepared for you. A good Suit at \$7 50, \$10 00, \$12 00 and \$15 00.
